History - About DQS Group

DQS Group is one of the leading Certification Bodies for management systems worldwide. Under the strategic leadership of DQS Holding based in Frankfurt, Germany, all companies of DQS Group strive for one common goal:

To Improve Our Customer's Management System by Offering Value-adding Assessment Services.

The group has built a global presence, with currently > 82 offices in > 60 countries, with > 2,300 auditors. For almost three decades, DQS has been working with the most reputation companies in the world such as Coca-cola, Siemens, Robert Bosch, Philips, Continental, Henkel, Allianz, 3M and etc. That's why we have the know-how to create added value.

We bring "DQS" brand that you can trust.

"Value added is our focus when building partnership with customers," this is what DQS always emphasizes. Being present in this industry for more than 25 years and still counting, DQS knows best what you looking for in terms of management system certification. Thus, with our wealth of experience across most major industries, we offer not only certification and training activities, but assessment is what we think brings true value to your esteem organization.

As a "one stop" assessment body, we offer ISO 9001:2015, ISO 14001:2015, BS OHSAS 18001:2007, ISO/TS 16949:2009, Iso 50001:2011, EN 9100, 9110, and 9120 Aerospace Series, ISO 13485:2003, ISO 27001:2013, Medical Devices Directive CE Mark, ISO22000, HACCP, 5S, ISO37001 and other management standards.

Besides that, we also offer inspection & validation audits, second party and other customized assessment services such as supplier audit, GC Mark, Risk Assessment, Energy Audit, Green Building Audit. Of course, training that relevant to above management system is part of our professional.

DQS is accredited for all major industry sectors including the service sector. We have qualified auditors located throughout the world, enabling us to supply our customers with local auditors, who are experienced in your industry.

That's come to the slogan

*"You are looking for a partner who understands your business;
We are looking for customers who are ready for success!"*

After all, the "DQS Way" of assessment and training is what brings true value to your management system, and we believe this is how a certification partner and training provider should be. Give us a call at +62-21-22780821 to find out how "DQS Way" can benefit your organization.
